Subject: CTO Secretariat Vacancies

Notice is hereby given of vacancies within the Secretariat of the Commonwealth Telecommunications Organisation's (CTO).

The CTO's 61st Council that was convened on 19th October 2023 in Yaoundé, Cameroon approved a new organisational structure, designed to support the implementation of the 2021-2025 Strategic Plan in its entirety.

The objectives of this Strategic Plan are to strengthen the organisation, improve its financial position, equip the Secretariat to enable it to deliver value added services to members and to enhance its public personality. The approved organisational structure therefore creates new positions within the Secretariat which will be filled progressively over the coming months.

Following are the vacancies within the Secretariat for which qualified citizens of CTO Member States are invited to apply, by following the links provided.
