## APPLICATION FOR AN EARTH STATION SATELLITE SERVICE LICENCE

### 1. APPLICANT:

Name: \_\_\_\_\_

Postal address: \_\_\_\_\_

Physical address: \_\_\_\_\_

Tel: \_\_\_\_\_ Fax: \_\_\_\_\_

Email address: \_\_\_\_\_

### 2. CONTACT PERSON:

Name: \_\_\_\_\_

Designation: \_\_\_\_\_

Email address: \_\_\_\_\_

Tel: \_\_\_\_\_ Cell: \_\_\_\_\_ Fax: \_\_\_\_\_

### 3. GENERAL INSTRUCTIONS

- (a) Earth Station Satellite Service Licence will only be issued to companies/organisations registered in Eswatini and accompanying Business / Organization Registration certificates/documents must be submitted together with the application form.
- (b) This application form must be completed for both new and renewal applications for Earth Station Satellite Service Licence.
- (c) The proposed equipment must be type-approved by the Commission prior to submission of this application. Failure to acquire or provide proof of type-approval may render your application unacceptable.
- (d) Complete all questions in block letters, and where not applicable insert N/A. Further critical details on the equipment and/or system should be attached on a separate sheet of paper if enough space has not been provided in the form.
- (e) The completed application form should be returned with all the relevant supporting documentation to the Eswatini Communications Commission.
- (f) Award of the Earth Station Satellite Service Licence is subject to payment of a license application fee and annual license fee that the Commission shall prescribe in the spectrum fee schedule.

**4. SERVICE DETAILS**

**a.**

**Please (Tick ✓) indicate what the Satellite service will be used for.**

Private VSAT Network       Commercial VSAT       Ground Earth Station

Broadcasting       Inmarsat       Transportable Satellite Transceiver

Tracking Telemetry & command (TT & C) Earth Station       Satellite Link

**b.**

**Give full details on what the Satellite system will be used for:**

.....  
.....  
.....

**c.**

**Space-Satellite Name:** .....      **Orbital Location:** .....

**Satellite ITU Network Name:** .....      **Number of Earth Terminals:** .....

**Internet Service Provider:** .....

**d.**

**Please (Tick ✓) indicate the duration of operating the satellite system?**

One month       three months       six months

Twelve months       other

## 5. EQUIPMENT DETAILS

**(NB: Details are to be entered for every Satellite Terminal using copies of this section)**

Site Details:

Site Name: ..... Site Location: ..... Site Identifier: .....

Latitude: ..... Longitude: ..... Elevation: .....

Height A.G.L (m): .....

**Equipment Details:**

Make: ..... Model: .....

Type Approval Number: ..... Call Sign: .....

Equipment Serial Number: .....

Uplink Freq (MHz): ..... Downlink Freq (MHz): .....

Output Power (W): ..... Bandwidth (kHz): .....

Lower Freq (MHz): ..... Upper Freq (MHz): .....

Selectivity: ..... Emission Class: .....

**Antenna Details:**

Make: ..... Model: .....

Antenna Type: ..... Type Approval Number: .....

Antenna Gain (dB): ..... Antenna Polarization: .....

Beam width V (deg): ..... Beam width H (deg): .....

Antenna height (m): ..... Main lobe Azimuth (deg): .....

Tilt angle (deg): ..... Antenna diameter (m): .....

ESCCOM

**6. DECLARATION:** I / We declare that:

1. To the best of my/our knowledge the above-mentioned information given in this application form is true and correct.
2. The Satellite Stations stated in this application form will be used only for communications as specified in my/our licence.
