In accordance with Section 11(1)(e) of the Electronic Communications Act, 2013, and Section 28 of the Broadcasting Act, 2023, ESCCOM is publishing a final decision to issue the Broadcasting Licence Fee Schedule.

This final decision outlines the administrative fees for various broadcasting licence categories, encompassing Television Broadcasting (Commercial, Public, Community, Subscription, Satellite, and Temporary Services), Radio Broadcasting (Commercial, Public, Community, Campus/Educational, Temporary, and Diffusion services). Each category will be subject to specific application, initial, renewal, and annual fees.

The fee schedule includes:

Application, initial, renewal, and annual licence fees for each service category.

An annual licence fee calculated at 4.5% of a licensee's annual turnover or a prescribed minimum base fee, whichever is higher.

A mandatory annual 1.5% contribution to the Universal Access and Service Fund (UASF), in alignment with national legislation.

Conditions regarding the refundability, currency (Emalangeni), and periodic review of the fees.

Public Consultation Process:

As part of the public consultation process stipulated by Section 32 of the Eswatini Communications Commission Act, 2013, ESCCOM presented a draft decision on the fees to all stakeholders and members of the public in August 2024 and again in July 2025. Comments on the proposed Broadcasting Licence Fee Schedule were received from stakeholders and members of the public during both consultations and were incorporated when developing the final decision.
