

## **GENERAL NOTICE NO. 07, 2018**

### **RENEWAL OF RADIO FREQUENCY SPECTRUM LICENCES FOR 2018/2019 FINANCIAL YEAR.**

All radio frequency spectrum licence holders, including Private Radio Communication Station License (PMR), Aeronautical Aircraft Station License, Aeronautical Ground Station License, Amateur Radio Station License, Satellite Earth Station License (VSAT) and Point to Point Fixed Wireless Links License (Microwave), are hereby reminded that their annual licenses are due for renewal.

The Commission therefore invites all spectrum users to submit their requests for license renewal. To facilitate this process, spectrum users are advised to download and fill the relevant application forms from the Commissions website ([www.sccom.org.sz](http://www.sccom.org.sz), Home > licensing > application forms). The completed forms are to be submitted to the Commission offices before the **26<sup>th</sup> May 2018** for processing and award of licenses. Alternatively the completed forms can be submitted to [info@sccom.org.sz](mailto:info@sccom.org.sz).

Radio frequency spectrum users are further advised that failure to make the necessary application for renewal of their licenses and failure to make the necessary license applications to use radio frequency spectrum by **26 May 2018** will result in an automatic withdrawal of the frequency spectrum assignment from the respective license holder.
